Exceptional Care

RESIDENT TRAVEL PROGRAM

The Silvercare Resident Travel Program allows residents who currently reside in an SCM community to visit other SCM communities for FREE respite care while their families are on vacation or visiting other family members.

Visiting Community will complete assessment to ensure the visiting community can provide the care needed.

The home base community will ensure all medications are sent over with the incoming residentto the visitingcommunity.

Transportation will be provided by the family of the Resident to and from the Home base and the visiting community.

10 day MAX stay per calendar year.

***Travel and Travel related expenses are the responsibility of the Resident.**
